The screenshot shows the Netbase Admin Panel interface. On the left is a sidebar with navigation icons for Dashboard, Netbase, Sales, Products, Customers, Marketing, Content, Reports, Stores, NWDThemes, System, and Find Partners & Extensions. The main content area is titled 'New Category'. At the top right, there's a system message bar indicating 1 message. Below the title, there are buttons for 'Back', 'Reset', 'Save and Continue Edit', and a prominent orange 'Save Category' button. On the left side of the main area, there's a 'CATEGORY INFORMATION' sidebar with tabs for 'General' and 'Select Post'. The 'Select Post' tab is active, displaying a table of posts. Above the table, there's a search bar, a 'Reset Filter' link, and a status '20 records found'. The table has columns for 'Post ID', 'Title', 'Tag Name', and 'Status'. Each row has a checkbox in the first column. The posts listed are:
